### **Reasons for allowance**

The following is an examiner's statement of reasons for allowance:

The prior art of record fail to teach or suggest individually or in combination a system having a functional unit data path width, a first memory system having a first data path width, a second memory system having a first data path width which is greater than the functional unit data path width, and greater than the first data path width, a method comprising: copying a first memory operand portion from the first memory system, the first memory operand portion having the first data path width; copying a second memory operand portion from the first memory system to the second memory system, the second memory operand portion having the first data path width and being catenated with the first memory operand portion, thereby forming catenated data; and reading at least a portion of the catenated data which is greater than the first data path width.

Accordingly, the present claims invention were not found to be anticipated nor made obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
